DESIGNATION OF PRIMARY TEAM

A girl on two teams at the same age level must designate a primary team no later than November 15th of the playing year. The designation must be communicated to their association, the Regional Registrar and the WAHA Girls/Women Section Director through use of this form. The girl will participate in all games, practices, tournaments, and activities with her primary team. She can participate with her secondary team only when it does not conflict with her primary team unless the coaches of the two teams reach an agreement. The primary team will be the one she will participate with for state play downs and state tournament. In the event her primary team does not qualify for state she may play with the secondary team if they qualify. She may participate in play downs for both teams if they do not conflict.
