#### INTRODUCTION 2020 STATE TOURNAMENT HANDBOOK

#### INTRODUCTION

The underlying objective of all State hockey tournaments must be to provide our young hockey players with an enjoyable and meaningful experience. The goal of the WAHA Board of Directors is to ensure that every State Tournament is great celebration of the season as it comes to an end.

It is the responsibility of WAHA to establish a set of standards by which all tournament sponsors must comply when hosting a state tournament. These standards, in the form of rules, regulations and guidelines, promote consistency in state tournament operations and should help to make each and every state tournament a success.

#### PURPOSE

The purpose of this handbook is to provide to those hosting a State Tournament an easy reference to all the applicable rules, regulations, and guidelines that are contained in the WAHA Guidebook.

In addition, it offers further explanation and interpretation of those rules and regulations and also provides some other guidelines and recommendations that will hopefully assist you in hosting a successful state tournament.

#### APPLICABILITY

The rules, regulations and guidelines as outlined in this handbook apply to all state tournaments. Every effort has been made to insure the accuracy of the rules and regulations contained in the handbook, however, if a discrepancy exists, the WAHA Guidebook contains the rule(s) that is/are currently in effect.

#### REMEMBER!! ORGANIZATION AND EXTRA HANDS MAKE A TOURNAMENT SUCCESSFUL

#### OFFICIAL <mark>2020</mark> WAHA TOURNAMENT GUIDELINES

The following directions will help you in hosting the most efficient tournament possible: **Advance Information:** To avoid any conflicts at your tournament, it is best to spell out **IN ADVANCE** as much as possible, so everyone knows and understands what to expect.

**State Tournament Director:** Each state tournament site must designate a State Tournament Director. The contact information for this director will be placed on the WAHA State Tournament website. The designated director must be someone who will be present at and who is on site for the duration of the tournament. The site State Tournament Director and the WAHA Section Director of the age level are responsible for all matters pertaining to the state tournament.

**Rules and Operating Points:** 2019-2020 WAHA Rules and Guidelines (WAHA Guidebook) govern all play. You should send finalists in advance (and have available and go over points upon their arrival) written information on the following:

#### AVOID CONFUSION BY WRITTEN GUIDELINES

Length of Periods:	*3 – 12 minute stop time periods for Youth 10U/Girls 10U *3 –15 minute stop time periods for Youth 12U/Girls 12U and Youth 14U/Girls 14U *3-17 minute stop time periods Midget/High School/Girls 19U Note page 58 of the WAHA Guidebook (running time whenever a team has a 6-goal lead. While the game is in running time, the referee shall have the authority to order the clock to be stopped. The clock shall be stopped when a goal is scored, to assess a penalty, for injuries, or for unanticipated emergencies. Once the clock is stopped, it will be restarted upon completion of the ensuing face off.)	
Ice Resurfacing:	Ice resurfacing for Midget/High School/Girls 19U, Youth 14U/Girls 14U and Youth 12U/Girls 12U will be after every two periods. Ice resurfacing for Youth 10U/Girls 10U will be after every game. Note page 64-65 of the WAHA Guidebook.	
Penalties:	Youth 10U/Girls 10U – 1 ½ minute (minor), 3 minute (major), 6 minute (misconduct) Youth 12U/Girls 12U and above – 2 minute (minor), 5 minute (major), 10 minute (misconduct)	
Overtime:	8 minute – Page <mark>58</mark> of the WAHA Guidebook, games ending in a tie after regulation play shall continue, with sudden victory over time until a winner is determined.	

#### YOU MUST HAVE AN OPEN END ON AVAILABLE ICE.

**Tournament Pairings:** Pairings will be set and filled in by the WAHA Section Directors once the play down weekend is complete. Pairings will appear on the WAHA website <u>www.wahahockey.com</u>. As per page 63 of the WAHA Guidebook the upper bracket starts first. All teams will play three games.

**Age Certification: A MUST. No Proof of Age – No Play.** Have table(s) set up and certification committee to welcome and check in teams. Notify teams where to go and the procedure to be used. Arrange Age Certifications by player roster, it is faster and less complicated. Players must have proof of age with them for all playoff and state tournament games. Documents providing proof of age are: an approved USA Hockey Team Roster with the "Verified Birth Date" column checked, birth certificates, passports, driver's license, or a Wisconsin Register of Deeds Association Fact Sheet. (Note: copies are acceptable-originals are not required.) See page 73 WAHA Guidebook.

**Certified Coaches:** Teams are required to have only coaches certified to the proper level, properly registered with USA Hockey, including completion of the age appropriate coaching module, Current background screen completed, and completion of the SafeSport training program on the benches for the course of the game unless removed per USA Hockey Playing Rules. (See page **112** WAHA Guidebook) A coach's certification and modules taken can be checked by going to the WAHA website and using the "Certified Coaches Search". A coach must be listed on the roster; this confirms he is registered with USA Hockey. If the roster shows the coach has a current certification, has completed the appropriate module and completed SafeSport training the only requirement of the coach will be to show a picture ID to prove they are the coach listed on the roster. If the roster does not indicate the coach has a current certification, has completed the appropriate modules and SafeSport, the coach must show the picture ID and documentation proving the completion of the certification, module and SafeSport. Any deviation from this requirement must be approved by the WAHA Section Director for the level playing.

**Number of Players:** Each team may have a maximum of twenty (20) players (25 for High School/Girls 19U) on the roster (page 59 of the WAHA Guidebook). A maximum of twenty (20) players may suit up for any game.

**Uniforms:** All teams in state tournament play shall be properly uniformed. A team will not be considered properly uniformed if the players do not have a similarly colored jersey with numbers conspicuously displayed. Arrangements should be made before the tournament starts to have available two sets of different colored jerseys or a set of pullovers in case of conflicts.

**Officials:** State Tournament Games must be officiated by officials properly registered with USA Hockey and WAHA/WHOA on or before December 31. Only Level 4, Level 3, and Level 2 officials shall officiate state tournament games. Level 2 officials are empowered to officiate only Youth 14U/Girls 14U and lower classifications. Level 3 officials are empowered to officiate only High School/Girls 19U and lower classifications. Level 4 officials are empowered to officiate all classifications. Try to assign at least one Level 3 or 4 official to each game. You can check a listing of eligible officials at <u>www.wahahockey.com</u>.

- The 3 official system (1 referee and 2 linesmen) or the 2 official system (2 referees) may be used.
- > Put your local referee-in-chief in charge of assigning officials.
- As a back-up measure, advertise to teams that any certified official traveling with the team should register with you in the event of an emergency.
- In accordance with Article 2, Section B, Paragraph 25 page 62, a complete list of officials you plan to use for the tournament and game assignments must be sent to the WHOA Regional Director for advance approval no later than 14 days before the tournament. The reason for this is to ensure that qualified, as well as, enough officials are being used. The official method of officiating in USA Hockey games is the three official system, with one Referee and two Linesmen. However, the use of the two Referee system is acceptable. If you use the three-official system, the minimum number of officials required is nine (9.) If you use a two-official system a minimum of 8 (eight) officials must be used. If you have trouble securing the appropriate number of officials from your immediate area, please contact the WHOA Regional Director in your region for assistance. Your WHOA Regional Directors can be found on page 115 of the WAHA Guidebook. The list of eligible officials is available at www.wahahockey.com

NOTE: PER WAHA/WHOA GUIDELINES, ANY OFFICIAL WHO IS CONFIRMED TO OFFICIATE ANY GAME INVOLVING A TEAM THAT IS <u>NOT</u> REGISTERED WITH USA HOCKEY, WIAA, NFHS, NCAA, OR THE IIHF SHOULD NOT BE USED IN YOUR STATE TOURNAMENT!!

#### Minor Officials: Adults Only!!

- Penalty Box 1 person per box

**Trophies:** As per page 61-62 of the WAHA Guidebook, WAHA shall provide standardized awards for all State Tournaments. You should receive them around the middle of February.

**Individual Pins:** WAHA will provide state tournament pins for each participate. It is recommended that the players and coaches be announced and the pins handed out at the conclusion of their final game of the tournament. There will be a separate bag of pins labeled "Champion" to be handed out to the first place team. Do not return any unused pins. They can be handed out to coaches and your volunteers who helped with the tournament.

**Entry Fees:** WAHA will send your association a check for the entry fees for the 8 teams participating in the state tournament that you are hosting.

**Communications:** Send copies of all written communications to the WAHA Section Director in charge of your age classification (See part 5 of this tournament guide)

**Results:** In accordance with Article 2, Section B, Paragraph 27 page 62 of the WAHA regulations, the results of the tournament must be reported for publication on the WAHA website. For 2020 there are two options for reporting/recording scores.

- **1.** If you have internet access you can record the scores yourself. If you plan to do this, please contact the Section Director for your level for information on how to do so.
- **2.** You can report the scores to the Section Director for your level. The preferred method to do so is via text messaging. Voice mails are also acceptable.

Scores should be recorded/reported after each game. When you report the results be sure to give the tournament level, names of the teams, the score, and if there were any overtimes involved. Also if it is a round robin tournament you will need to report the number of points each team received for the game. Failure to turn around this information in a timely matter will be taken into consideration when awarding future state tournaments to associations.

**Noise-Makers:** The use/presence of artificial noise-makers, except for those required to control the play of the game is prohibited. This includes but is not limited to bells, horns, whistles, etc. USA Hockey's Zero Tolerance Policy will be enforced. Game officials or the tournament director will identify violators to the coaches. Parents/spectators displaying inappropriate and disruptive behavior can be removed from the spectator's viewing and game area. Violators may be subject to further disciplinary action by the local governing body.

**Clothing:** WAHA has a partnership with Northwest Designs to provide a State Tournament logo and clothing to be sold at all WAHA State Tournaments. The garments will be customized at your site. The name and contact information for the state tournament director at your site will be given to Northwest Designs. The director will be contacted by Northwest Designs to set up the clothing at your site.

**Merchandise:** Vendors such as action photographers, jewelry, etc may be present to sell items other than clothing.

**State Tournament Logo:** The state tournament logo is the exclusive property of WAHA. It can be used in advertising, programs, decorations, etc. It may be used for souvenir/individual gift items that are given to participating players. It can not be used on items that will be sold, without the permission of WAHA. A fee for use on items for profit may be required by WAHA.

**Home Team:** The Region listed on the top of every bracket will be considered the home team.

Accommodations: Each host association MUST block hotel rooms for visiting teams.

#### **Suggested Procedures:**

- Signs, banners and other decoration of the rink to signify and help add to the celebration atmosphere.
- Map and Housing: Enclose a map showing location of the rink. Have the local Chamber of Commerce send a listing of hotels to teams, or do some advance scouting to reserve rooms. This is especially important if other events are scheduled for your town.
- Locker Rooms: Cards which are displayed on doors; if there is a difference in facilities (i.e. 2 sheets of ice), alternate team assignments.
- Programs: Should include space showing pairings and place for results. Commercial ads are great to publicize the event and excellent moneymakers as well. Arrange the printing schedule to accept player rosters as late as possible.
- > Posters: Large poster, publicly displaying results of games and status of teams.
- > Hospitality Session: A nice way for the adults to meet others.
- ▶ Raffles, 50/50, silent auctions, etc., and other types of fundraising events.
- Gift bags for every player that include small gifts from local vendors, stores, e.g. gift cards for local restaurants, sporting goods stores.
