Re: USA Hockey/WAHA CEP Coaching Clinic Plan for 2021

Wisconsin Amateur Hockey Association, in conjunction with USA Hockey Central District, is launching 18 virtual coaching clinics for the upcoming season. The Coaching Education Program (CEP) has undergone numerous improvements and changes, visit <https://www.usahockey.com/coachingcertification> for full details on requirements for the 2021-22 season.

CEP virtual clinics are available to any USA Hockey coach looking to complete their certification across the country. The good news is that WAHA coaches can access clinics from anywhere. The bad news is that we can't restrict WAHA clinics for WAHA coaches. The full WAHA clinic schedule is posted on the WAHA website under resources > coaching clinics. The registration for these clinics will open 2 WEEKS prior to the start of the clinic at 8:00 AM CDT. It is CRITICAL that you find a clinic that works for your schedule and has seats available and register ASAP!

Thank you for your time to volunteer as a coach in your association. Don't hesitate to reach out if you have questions.

Sincerely,

Andy Bradford
USA Hockey Girls Central District Section Director
WAHA Region 3 Director and 8U Section Director
